All tournament games will be played at Hardwood Palace and Woodcreek High School. Remember to log onto **Xtremehoops.net** for tournament information, directions or hotel information.

After Pool Play is completed on Friday and Saturday, the teams will be placed in (4) 16-team tournaments for Sunday's games (the top 3 teams will receive a bye in the first round). **The numbers associated with the first round games on Sunday are not necessarily "seeds" but are just a way for us to organize the first round games.** We will use the results from Pool Play to make up the tournaments on Sunday. However, teams that win their Pool **will not** automatically be placed in the Gold Division. Our goal is to get the top 13 teams placed in the Gold Division and then the next best 13 teams will be placed in the Silver Division. The next best 13 teams will be placed in the Bronze Division and then the last 13 teams will be placed in the Brick Division. **Remember that Sunday's tournaments are single elimination.**

We think this tournament format should provide excellent competition for everyone on Sunday. If you have any questions or concerns with the schedule, please call Steve Taylor at (916) 208-6266 or Royce Browning at (916) 798-2877.

**There will be a Coach's Social upstairs at Hardwood Palace immediately following the games on Saturday. Food and drinks will be provided. We think it will be a nice opportunity for coaches to unwind, socialize, and talk some hoops. I hope all of you can make it.**

Thank you for bringing your team to this year's Sac Area Summer Showcase. We hope to make this the premier summer basketball tournament in Northern California.
